AGENDA  
OCTOBER 12, 2006  
6:30 P.M.**

1. **Call to Order**, welcome to guests, and Pledge of Allegiance to the Flag.
2. **Minutes**, Council Meeting of September 28, 2006.
3. **Don Leet** discussion of natural gas rates.
4. **Recommendation** from the Murray Planning Commission authorizing the city attorney to draft an ordinance rezoning a 5.175 acre portion of land located on the southwest corner of Poor Farm Road and Opportunity Drive from Agriculture to B-2 (highway business). Said property is owned by Bruce and Kathy Barber. The Planning Commission recommended this rezoning to the council by a vote of 8-0 because the property is contiguous to a B-2 zoning district to the north; the future land use map indicates the existing zoning classification to be inappropriate and the proposed zoning more appropriate due to the economic and social changes in the area; and the anticipated commercial growth in this area due to the construction of Highway 80.
5. **Recommendation** from Murray Planning Commission authorizing the city attorney to draft an ordinance annexing a 10.647 acre tract of land and a 0.355 acre portion of right-of-way on Gibbs Store Road. Said property is owned by Patrick Sean and Huong Dinh Kelly. The Planning Commission recommended this annexation by a vote of 8-0 because the property is contiguous to the city boundaries; per the city's policy, since the Kelly's are requesting city utility services, annexation is required; and the property falls within the Urban Services Area for the city.
6. **Recommendation** from Murray Planning Commission authorizing the city attorney to draft an ordinance annexing a 1.036 acre tract of land located on King Richard Drive. Said property is located at 225 King Richard Drive and consists of lots 3 and 4 in Unit 3 of Sherwood Forest Subdivision and the right-of-way on King Richard Drive. The property is owned by Dwain and Margot McIntosh. The Murray Planning Commission recommended this annexation by a vote of 8-0 because it is contiguous to the city boundaries to the north and east; per the city's policy, since the Kelly's are requesting city utility services, annexation is required; and the property falls within the Urban Services Area for the city.
